The screenshot shows the Kas Tracking application interface. On the left, there's a sidebar with navigation links like 'Organisasi', 'Dasbor', 'Bendahara', 'Anggota', and 'Keuangan'. The main area displays a list of transactions. A modal window titled 'Buat Catatan Keuangan' is open, prompting the user to enter details for a new transaction. The modal includes fields for 'ID Anggota' (m17\_a1), 'Nominal' (5000), 'Kategori' (Pemasukan), and 'Catatan' (empty). A validation message at the bottom of the modal states: 'Catatan keuangan yang dihapus, tetapi dapat ditandai sebagai data ya!'. There's also a note: 'Please fill in this field.' A blue 'Simpan Data' button is visible at the bottom right of the modal.
